AANYA LALL

MUSIC PORTFOLIO

ABOUT

My musical journey started on the piano when I was 6 years old. I have always loved to sing, but my confidence in myself and voice completely changed when I endured professional vocal training under the guidance of Ms Sharmila B. Livingston. I am guided by the philosophy that music is a universal language which transcends boundaries and connect individuals in a way that no other language can .

PERFORMANCES

Vatican Embassy, New Delhi, India

2023-24
